

Open the Berliner Philharmoniker's world
of classical music to your students

User Guide of the Berliner Philharmoniker

distributed by

IDC ASIA (iGroup KR)

Where we play just for you

Web in Universities

Present the music of the Digital Concert Hall in your library. Choose between a lossless transmitted audio signal in studio quality (Hi-Res Audio) and a three-dimensional sound experience in Immersive Audio via Dolby Atmos.

App while on the move

With our mobile apps for iOS and Android, you can enjoy the music in outstanding quality even when you're on the move. The apps also offer you the option of downloading videos to play them in airplane mode.

TVs in your living room

It's available as an app on smart TVs and Blu-ray players from Panasonic, Sony, Samsung, LG, Loewe and Philips, as well as on many other devices with integrated Android TV/Google TV, Fire TV, or Roku.

Access to the Fantastic experiences (1)

- Visit the website and click on the button "Start institutional access."
- Please sign up with your email address and a password
- Log in to your registered email and check the confirmation email

tip

Once you create your account, you can enjoy great performances from anywhere without accessing your university library's website.

The image shows a two-step process on the Berliner Philharmoniker Digital Concert Hall website. The top screenshot displays the '기관 계정' (Institutional Account) section with a yellow button labeled '기관 계정 사용하기' (Use Institutional Account) circled in red. The bottom screenshot shows the '회원가입' (Sign Up) form with fields for name, gender, email, and password, and a checkbox for receiving newsletters.
