

MANUSCRIPT SUBMISSION PROCESS FOR THE AUTHORS FROM THE MEMBER UNIVERSITIES OF KERIS CONSORTIUM (SOUTH KOREA)

INTRODUCTION:

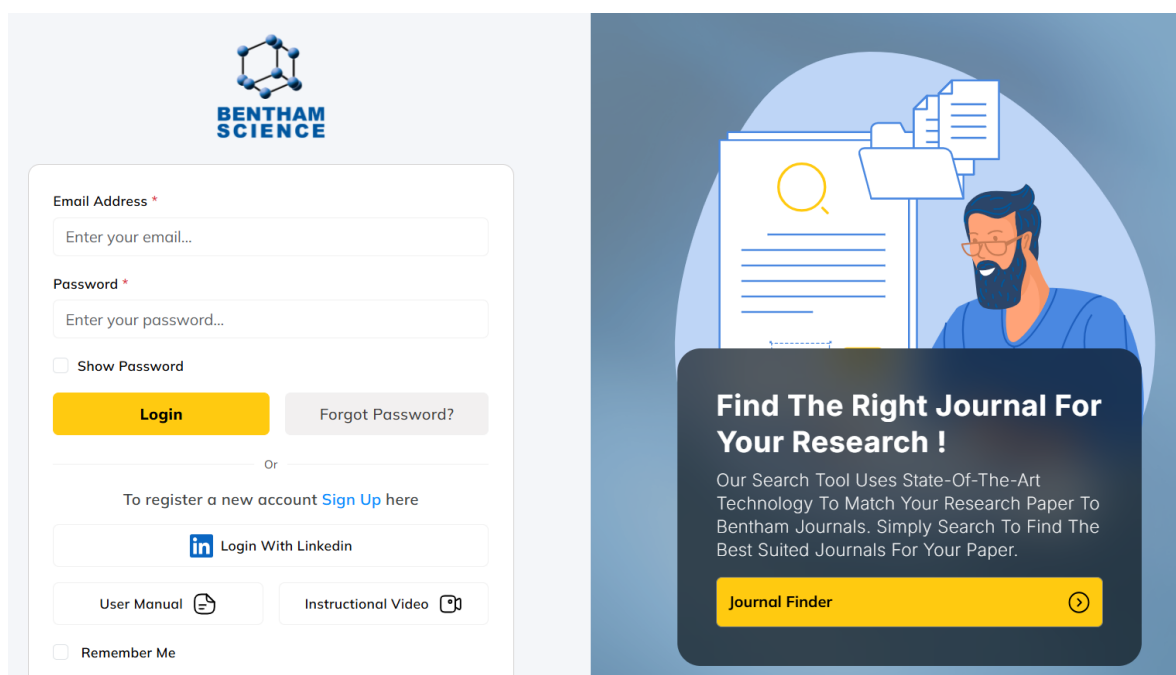

We welcome authors from South Korean universities who are members of the **Keris Consortium** to publish their articles in any Bentham journal at zero Article Processing Charges. Your article will be peer-reviewed and published in the journal on a priority basis (Quick Track).

For guiding purposes, we have drafted the following Manuscript Submission Process for the authors of the university: Korea Nazarene University

Step 1 - Log in to MPS

Authors will sign in to get into the manuscript processing system (MPS), either directly at the dedicated link: <https://bentham.manuscriptpoint.com/Login>

Or from any Bentham journal's website of his choice by clicking "Submit Manuscript".

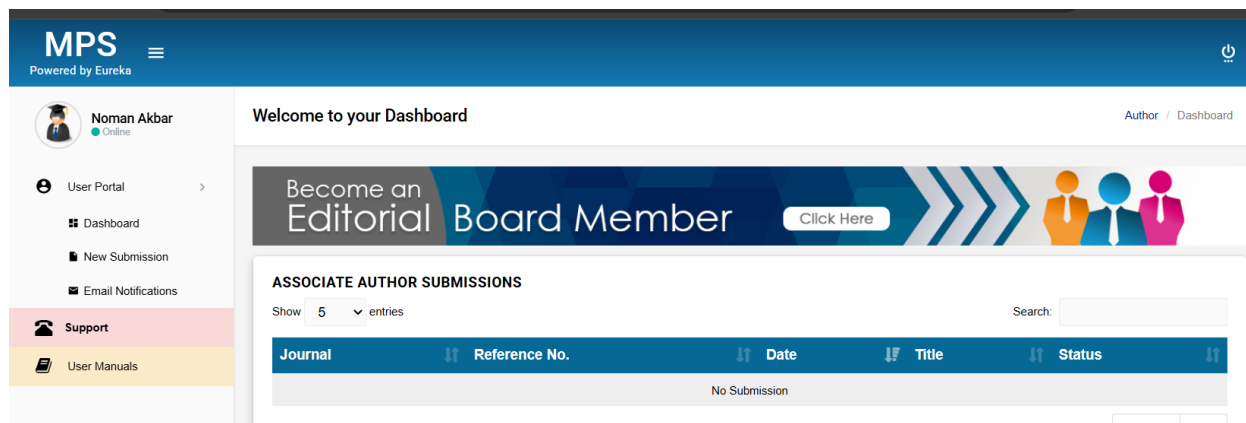

The image displays two side-by-side panels. The left panel is a screenshot of the Bentham Science login page. At the top, the Bentham Science logo is visible. Below it, there are input fields for 'Email Address *' and 'Password *'. A 'Show Password' checkbox is present. A yellow 'Login' button and a 'Forgot Password?' link are provided. Below the login fields, there is an 'Or' separator, a link to 'Sign Up here' to register a new account, and a 'Login With LinkedIn' button. At the bottom, there are links for 'User Manual' and 'Instructional Video', and a 'Remember Me' checkbox.

The right panel is a promotional banner for the 'Journal Finder' tool. It features an illustration of a man with a beard and glasses looking at a document with a magnifying glass icon. The text reads: 'Find The Right Journal For Your Research !' followed by 'Our Search Tool Uses State-Of-The-Art Technology To Match Your Research Paper To Bentham Journals. Simply Search To Find The Best Suited Journals For Your Paper.' A yellow 'Journal Finder' button with a search icon is at the bottom.

Step 2 – Author Dashboard

After signing into the MPS, the author will see their dashboard. They will then click on the "New Submission" tab on the left menu bar.

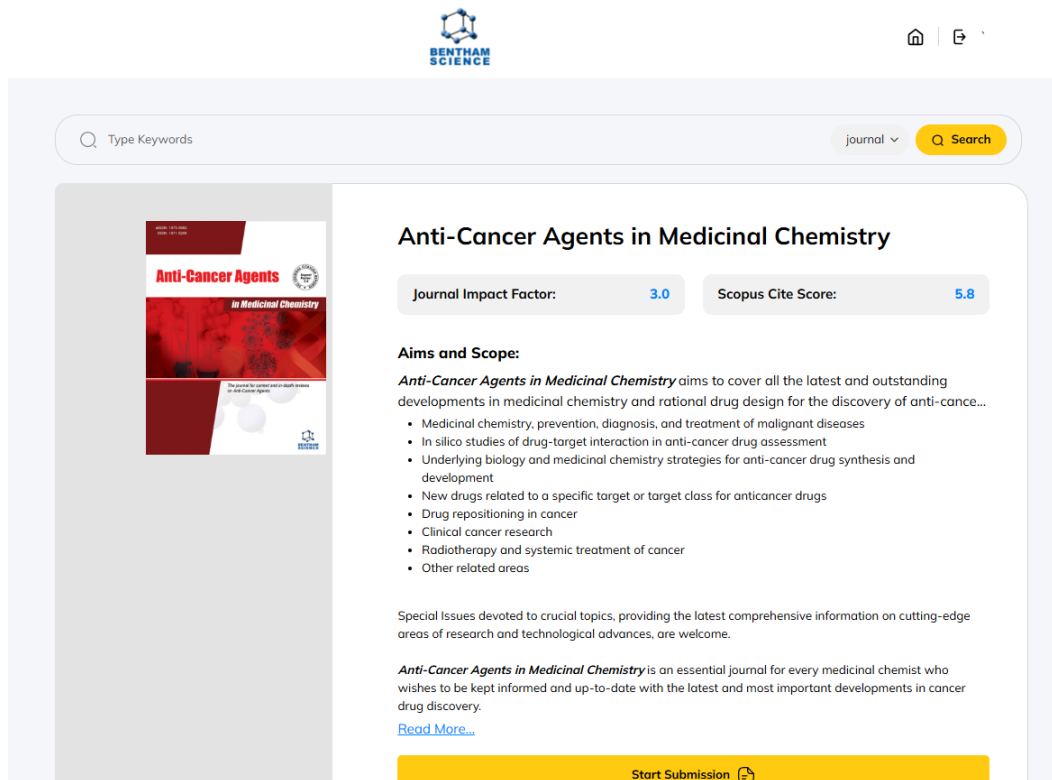

The screenshot shows the MPS Author Dashboard. At the top, it says "MPS Powered by Eureka". The user profile for "Noman Akbar" is visible, along with a navigation menu on the left containing "User Portal", "Dashboard", "New Submission", "Email Notifications", "Support", and "User Manuals". The main content area displays "Welcome to your Dashboard" and a banner for "Become an Editorial Board Member" with a "Click Here" button. Below this is a section titled "ASSOCIATE AUTHOR SUBMISSIONS" with a search bar and a table. The table has columns for "Journal", "Reference No.", "Date", "Title", and "Status", and currently shows "No Submission".

Step 3 – Submission Process

The author will complete his / her submission process:

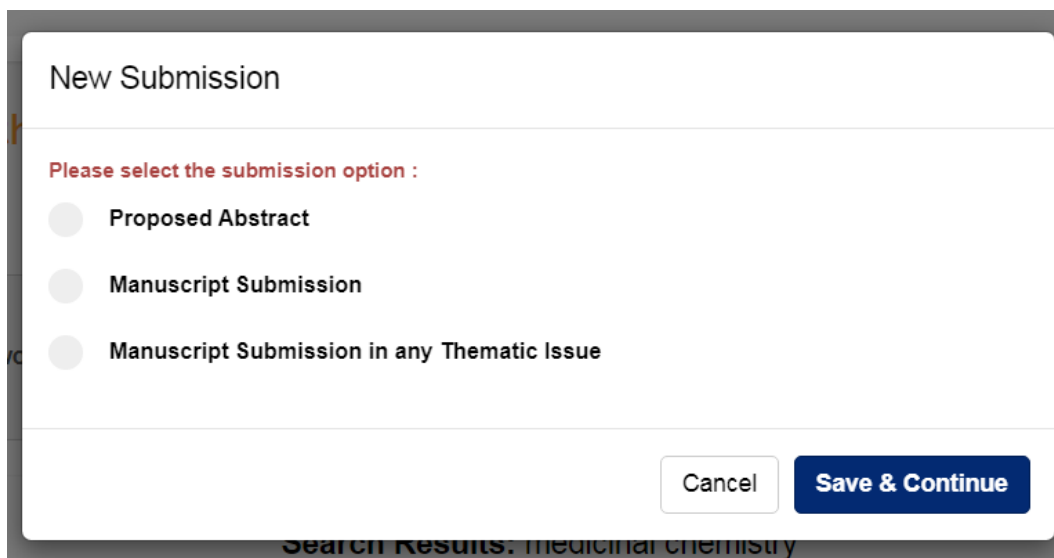

a) Select the journal or already selected earlier if coming from the journal's website

The screenshot shows the journal website for "Anti-Cancer Agents in Medicinal Chemistry". The page features the Bentham Science logo, a search bar, and a "journal" dropdown menu. The journal cover image is displayed on the left. The main content area includes the journal title, "Journal Impact Factor: 3.0", and "Scopus Cite Score: 5.8". Below this is the "Aims and Scope" section, which describes the journal's focus on the latest and outstanding developments in medicinal chemistry and rational drug design. A list of topics is provided, including medicinal chemistry, in silico studies, underlying biology, new drugs, drug repositioning, clinical cancer research, radiotherapy, and other related areas. A "Start Submission" button is located at the bottom of the page.

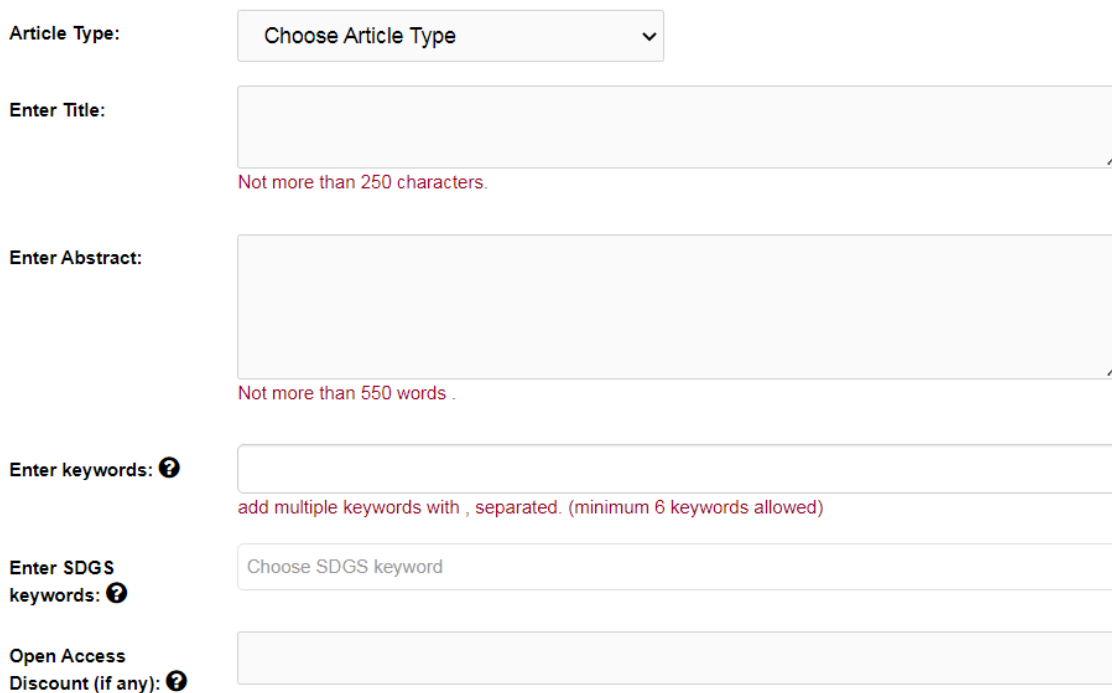

b) Select the submission option

c) With your selection, press 'Save & Continue', and complete the details.

The screenshot shows a 'New Submission' dialog box. At the top, it says 'New Submission'. Below that, a red instruction reads 'Please select the submission option :'. There are three radio button options: 'Proposed Abstract', 'Manuscript Submission', and 'Manuscript Submission in any Thematic Issue'. At the bottom right, there are two buttons: 'Cancel' and 'Save & Continue'.

d) Enter details of the article/abstract being submitted.

The form contains the following fields and instructions:

- Article Type:** A dropdown menu with the text 'Choose Article Type' and a downward arrow.
- Enter Title:** A text input field with a red note below it: 'Not more than 250 characters.'
- Enter Abstract:** A larger text input field with a red note below it: 'Not more than 550 words.'
- Enter keywords:** A text input field with a red note below it: 'add multiple keywords with , separated. (minimum 6 keywords allowed)'. There is a help icon to the left of the label.
- Enter SDGS keywords:** A text input field with the placeholder text 'Choose SDGS keyword' and a help icon to the left of the label.
- Open Access Discount (if any):** A text input field with a help icon to the left of the label.

e) Add information for the Principal Author.
